

2026 Farmers' Market Layout

Please select your top 3 table locations by completing the form below. ***It is important to note that vendor placements are not guaranteed.*** Each vendor is placed based on seniority and proximity to like vendors. Vendors placed at any table without a parking space adjacent to the table may unload and then are required to park along the retaining wall at the Market. ***If vendors have more than one vehicle at the market they must park their second vehicle along the retaining wall.***
